ARTICLE VII: MEMBERS AND VOTING

7.1. There shall be only one class of membership and no Member shall have any rights or preferences in addition to or different from those possessed by any other Member. Each Member shall Vote in proportion to the Member's Percentage Interest as of the governing record date, determined in accordance with Section 7.2. EM

prior to the date of the Meeting, nor more than 60 days prior to any other action.

If no record date is fixed, the record date for determining Members:

(a) *Meeting*

entitled to notice of or to vote at a Members meeting is the close of business on the business day before the day:

- (i) on which notice is given; or
- (ii) if notice is waived – on which the meeting is held;

(b) *Consents*

entitled to give consent to corporate action in writing without a meeting, is the day on which the first written consent is given; and

(c) *Other*

for any other purpose will be at the close of business on the day the Managers adopt the resolution relating to the action, or the 60th day before the date of the action, whichever is the later.

7.3. At all Meetings of Members, a Member may Vote in person or by proxy. Such proxy shall be filed with any Member before or at the time of the Meeting, and may be filed by facsimile transmission to a Member at the principal executive office of the Company or such other address as may be given by a Majority of Members to the Members for such purposes.

EV

VIII: TRANSFERS OF MEMBERSHIP INTERESTS

Member may withdraw from the Company at any time by giving Notice of Withdrawal to all other Members at least 180 calendar days before the effective date of withdrawal. Withdrawal shall not release a Member from any obligations and liabilities under this Agreement accrued or incurred before the effective date of withdrawal. A withdrawing Member shall divest the Member's entire Membership Interest on the effective date of withdrawal in accordance with the transfer restrictions and option rights set forth in this Agreement.

As expressly provided in this Agreement, a Member shall not Transfer any part of the Membership Interest in the Company, whether now owned or hereafter acquired, unless (1) the Members unanimously approve the transferee's admission to the Company as a Member upon such terms and conditions as the Members may determine, and (2) the Membership Interest to be transferred, when added to the total of all other Membership Interests transferred in the preceding 12 months, will not cause the termination of the Company. No Member may Encumber or permit or suffer any Encumbrance of all or any part of the Membership Interest in the Company unless such Encumbrance has been approved in writing by a majority of the Members. Any Transfer or Encumbrance of a Membership Interest without such approval is void. Notwithstanding any other provision of this Agreement to the contrary, a Member who is a Trustor may transfer all or any portion of his or her Membership Interest to any revocable trust for the benefit of the Member, or any combination between or among the Member, the Member's issue, and the Member's issue; provided that the Member retains a beneficial interest in the trust and all Voting Interest included in such Membership Interest. A transfer of a Member's entire beneficial interest in such trust or failure to retain such Voting Interest shall be deemed a Transfer of a Membership Interest.

On the happening of any of the following events (Triggering Events) with respect to a Member, the Company and the other Members shall have the option to purchase all or any portion of the Membership Interest of the Company of such Member (Selling Member) at the price and on the terms provided in Section 8.6 of this Agreement:

death or incapacity of a Member;

bankruptcy of a Member;

winding up and dissolution of a corporate Member, or merger or other corporate reorganization of a corporate Member as a result of which the corporate Member does not survive as an entity;

withdrawal of a Member; or

occurrence of any other event that is, or that would cause, a Transfer in contravention of this Agreement.

On the occurrence of any Triggering Event, the Selling Member agrees to promptly give Notice of a Triggering Event to all other Members.

On the receipt of Notice by the other Members as contemplated by Section 8.1, and on receipt of Notice of any Triggering Event (the date of such receipt is hereinafter referred to as the "Option Exercise Date"), the Manager(s) shall promptly give notice of the occurrence of such a Triggering Event to each Member, and the Company shall have the option, for a period ending 30 calendar days following the Option Exercise Date, to purchase the Membership Interest in the Company to which the option relates, at the price and on the terms provided in Section 8.6, and the Members, pro rata in accordance with their prior Membership Interests in the Company, shall then have the option, for a period of 30 days thereafter, to purchase the Membership Interest in the Company owned by the Company, on the same terms and conditions as apply to the Company. If all other Members do not elect to purchase the entire remaining Membership Interest in the Company, then the Manager(s) electing to purchase shall have the right, pro rata in accordance with their prior Membership

EM

Interest in the Company, to purchase the additional Membership Interest in the Company available for purchase. The transferee of the Membership Interest in the Company that is not purchased shall hold such Membership Interest in the Company subject to all of the provisions of this Agreement.

8.5. No Member shall participate in any Vote or decision in any matter pertaining to the disposition of that Member's Membership Interest in the Company under this Agreement.

8.6. The purchase price of the Membership Interest that is the subject of an option under this Agreement shall be the Fair Market Value of such Membership Interest as determined under this Section 8.6. Each of the selling and purchasing parties shall use his, her, or its best efforts to mutually agree on the Fair Market Value. If the parties are unable to so agree within 30 days of the date on which the option is first exercisable (the Option Date), the selling party shall appoint, within 40 days of the Option Date, one appraiser, and the purchasing party shall appoint within 40 days of the Option Date, one appraiser. The two appraisers shall within a period of five additional days, agree on and appoint an additional appraiser. The three appraisers shall, within 60 days after the appointment of the third appraiser, determine the Fair Market Value of the Membership Interest in writing and submit their report to all the parties. The Fair Market Value shall be determined by disregarding the appraiser's valuation that diverges the greatest from each of the other two appraisers' valuations, and the arithmetic mean of the remaining two appraisers' valuations shall be the Fair Market Value. Each purchasing party shall pay for the services of the appraiser selected by it, plus one-half of the fee charged by the third appraiser. The option purchase price as so determined shall be payable in cash.

8.7. Except as expressly permitted under Section 8.2, a prospective transferee (other than an existing Member) of a Membership Interest may be admitted as a Member with respect to such Membership Interest (Substituted Member) only (1) on the unanimous Vote of the other Members in favor of the prospective transferee's admission as a Member, and (2) on such prospective transferee's executing a counterpart of this Agreement as a party hereto. Any prospective transferee of a Membership Interest shall be deemed an Assignee, and, therefore, the owner of only an Economic Interest until such prospective transferee has been admitted as a Substituted Member.

8.8. Any person admitted to the Company as a Substituted Member shall be subject to all provisions of this Agreement.

ARTICLE IX: DISSOLUTION AND WINDING UP

9.1. The Company shall be dissolved on the first to occur of the following events:

- (a) The written agreement of all Members to dissolve the Company.
- (b) The sale or other disposition of substantially all of the Company assets.

9.2. On the dissolution of the Company, the Company shall engage in no further business other than that necessary to wind up the business and affairs of the Company. The Members who have not wrongfully dissolved the Company shall wind up the affairs of the Company. The Persons winding up the affairs of the Company shall give written Notice of the commencement of winding up by mail to all known creditors and claimants against the Company whose addresses appear in the records of the Company. After paying or adequately providing for the payment of all known debts of the Company (except debts owing to Members) the remaining assets of the Company shall be distributed or applied in the following order of priority:

- (a) To pay the expenses of liquidation.
- (b) To repay outstanding loans to Members. If there are insufficient funds to pay such loans in full, each Member shall be repaid in the ratio that the Member's respective loan, together with interest accrued and unpaid thereon, bears to the total of all such loans from Members, including all interest accrued and unpaid on those loans. Such repayment shall first be credited to unpaid principal and the

EW

remainder shall be credited to accrued and unpaid interest.

(c) Among the Members in accordance with the provisions of Article IV, Section 4.5.

9.3. Each Member shall look solely to the assets of the Company for the return of the Member's investment, and if the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the investment of any Member, such Member shall have no recourse against any other Members for indemnification, contribution, or reimbursement.

ARTICLE X: ARBITRATION

10.1. The parties hereby submit all controversies, claims and matters of difference in any way related to this Agreement, the Company or any investment in the Company to binding arbitration in Nevis according to the Arbitration Rules. This submission and agreement to arbitrate is specifically enforceable.

10.2 The parties intent that Section 11.1 be construed as broadly as possible and that all uncertainty with regard to the requirement that a dispute be arbitrated be resolved in favour of mandatory arbitration.

10.3 There will be only one arbitrator. The arbitrator is selected by the International Court of Arbitration of the International Chamber of Commerce pursuant to the Arbitration Rules. The arbitrator does not have the power to alter this Agreement.

10.4 The parties agree to abide by all awards rendered in the arbitration proceedings. The awards are final and binding on all parties to the maximum extent allowed by applicable law. All awards may be filed with the clerk of one or more courts having jurisdiction over the party against whom such an award is rendered or his property.

10.5 Each party bears its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration.

10.6. Consistent with the expedited nature of arbitration, discovery is limited to each party's (a) production of copies of those documents, or (b) access to other tangible things that the party intends to introduce into evidence at the arbitration hearing. Any dispute regarding discovery is determined by the arbitrator, which determination is conclusive. All discovery must be completed within 45 days following the appointment of the arbitrator. No interrogatories, requests for admission or depositions are allowed.

10.7 The arbitrator has no authority to award any of the following remedies: (a) punitive or other damages not measured by the prevailing party's actual damages; (b) consequential damages; (c) injunctive relief or direction to any party other than the direction to pay a monetary amount; or (c) interest on any award (prejudgment or post-judgment) exceeding 6% per annum, simple interest.

11.7. Except as provided in this Agreement, no provision of this Agreement shall be construed to limit in any manner the Members in the carrying on of their own respective businesses or activities.

11.8. Except as provided in this Agreement, no provision of this Agreement shall be construed to constitute a Member, in the Member's capacity as such, the agent of any other Member.

11.9. Each Member represents and warrants to the other Members that the Member has the capacity and authority to enter into this Agreement.

11.10. The article, section, and paragraph titles and headings contained in this Agreement are inserted as a matter of convenience and for ease of reference only and shall be disregarded for all other purposes, including the construction or enforcement of this Agreement or any of its provisions.
