The Bohemian Grove Is an Offshoot of Skull and Bones -- New, Exclusive Photos

Infowars.com Exclusive
 March 11, 2004

A visitor to infowars.com sent us a very rare copy of the Annals of the Bohemian Club (vol 7), 1987-1996. It is the Bohemian Club Quasquicentennial, celebrating the 125th anniversary of the founding. It is an internal Club publication, and only around 200 were issued to elite members. The photos you will see below document the elite membership from George w. Bush and his Father, George H. W. Bush, Richard Nixon, Jimmy Carter, Helmut Schmidt and other Illuminaries. You will also see new, exclusive images from the occult Cremation of Care ceremony.

CREMATION OF CARE 1990

This image from Page 131 shows the ancient Caananite occult ritual, the "Cremation of Care, being carried out by world leaders in 1990. This is an image from their own internal document

Lakeside Talks: George Bush Jr., George Bush

Lakeside: Newt Gingrich

Here you see a smug George W. Bush with his father, Bush Senior (taken in 1995) giving what they call a "lakeside chat" at the Grove. This page also shows Newt Gingrich, another member. The talks are given no less than a dozen yards from the stone idol where "mock" human sacrifices take place. This is the same idol you see featured above in the Cremation of Care ceremony photo

Orchestra Concert: Walter Cronkite

Richard Millhouse Nixon on the far left, and of the far right "the most trusted man in America, Walter Cronkite"

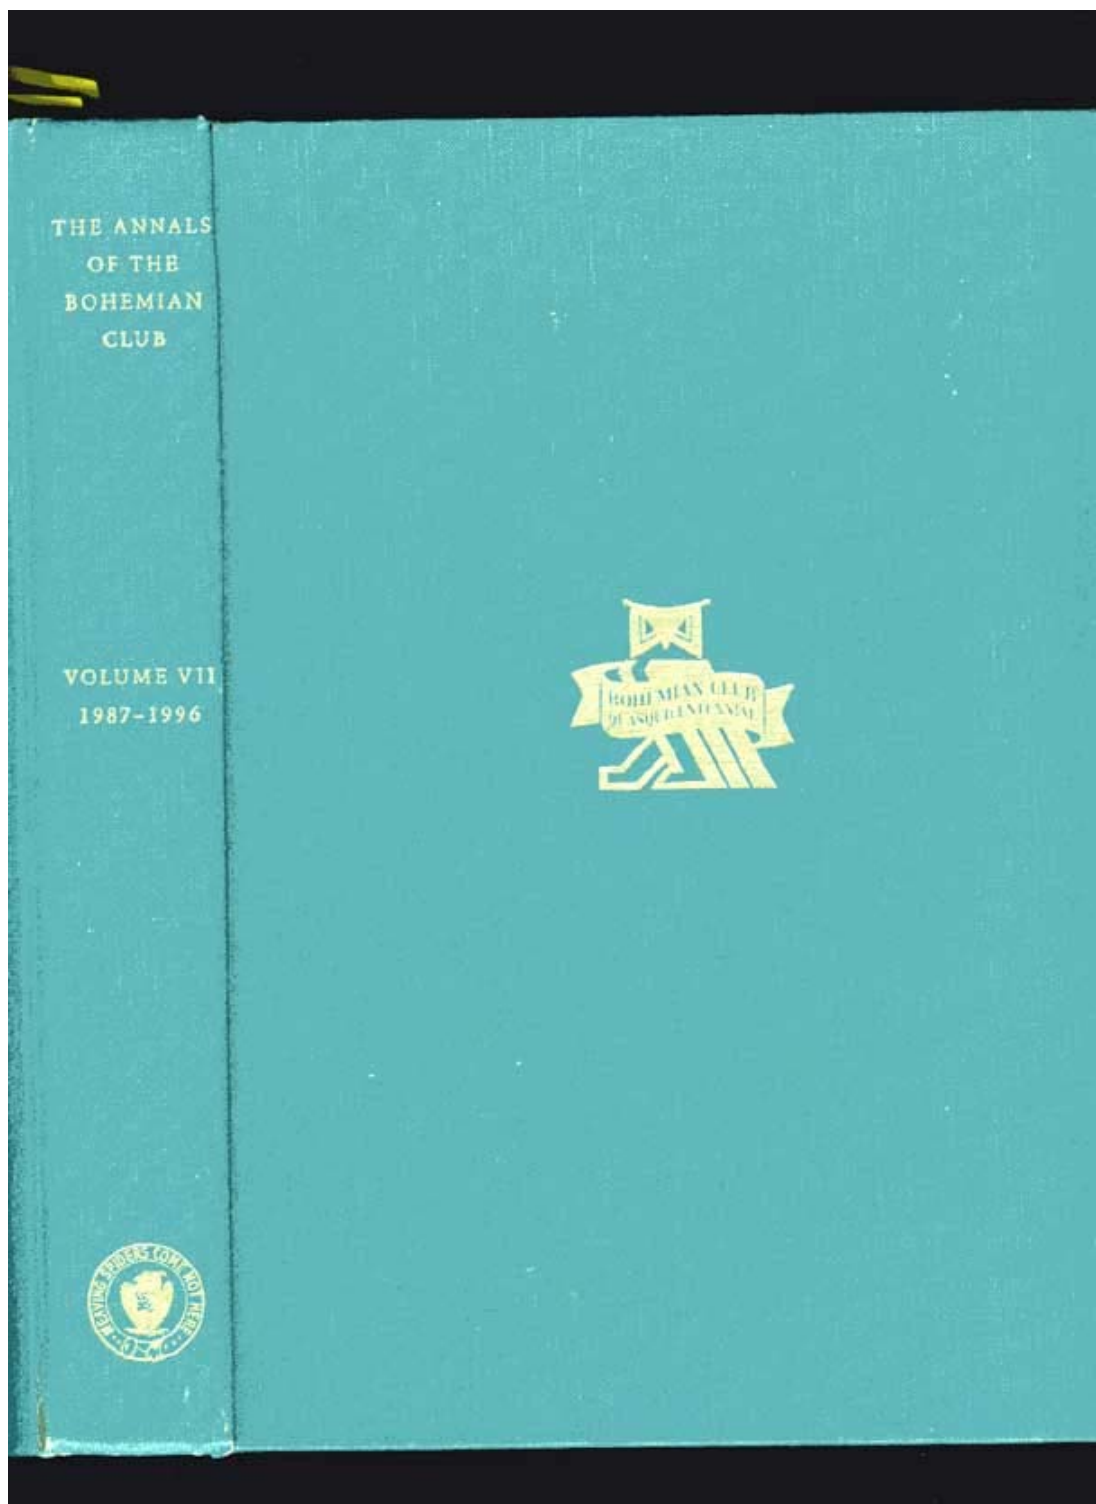

Conservatives and liberals frolicking together at the occult compound. Jack Kemp on the far left and Jimmy Carter on the right. (pg. 133)

Lakeside 1991:
Helmut Schmidt

From page 243 (in 1991) German Chancellor Helmut Schmidt addresses the elite of the world at a lakeside talk. Helmut Schmidt, in his own autobiography, "Men and Powers, a Political Retrospective, says that he is a member of the Council on Foreign Relations, the Trilateral Commission and the Bilberberg group. He also says that he has been an active participant in bringing in world government. Mr. Schmidt also said in his book that leaders from globalist bodies travel to the Grove every summer. He talks about secret groves in Germany where they do druidic rituals, but indicates that Bohemian Grove is his favorite place to participate in these rituals.

In Alex Jones' film, Dark Secrets: Inside Bohemian Grove closeups are shown of Helmut Schmidt's book and the text.
